Make-Up

These courses enable students who have not been successful during the regular school year to obtain one full credit by repeating 55 hours of instruction. Students wishing to improve a passing mark may also take these courses. Each class is scheduled for approximately 3 hours daily in either the morning or afternoon, thus enabling the students to enroll in one or two Make-Up courses. **Students must have completed the course and have written the final exam.** Students should have a minimum final mark of 35% for the course.

Make-Up courses will run

July 4 - July 25

AM – 8:30 am -12:00 pm

or
